CERTIFICATE OF RECEIPT OF RULES

TO RANCHO MURIETA COMMUNITY SERVICES DISTRICT EMPLOYEES:

Welcome to Rancho Murieta Community Services District. I personally hope that you will enjoy working at Rancho Murieta Community Services District and that you will find your work interesting and challenging. As a service oriented organization, our goal is to conduct our daily activities in a manner reflecting pride, efficiency, and competence with a friendly and courteous attitude.

This PERSONNEL MANUAL has been adopted by the Board of Directors of the Rancho Murieta Community Services District as its regular operating policies. It is designed to be a working guide for both employees and supervisors in the day-to-day operations of the District's personnel program. The text of the manual is not intended to be a legal contract with the employee, but rather is an attempt to describe generally the way the organization works. The rules and regulations contained in this booklet may not be modified by your supervisor or the General Manager, without the approval of the Board of Directors. However, the General Manager has been granted reasonable administrative latitude to interpret and apply these rules. As time goes on and we encounter some unforeseen problems in administering these rules, or circumstances warrant change, these rules may be modified from time to time as the Board of Directors sees fit. You will be made aware of any official changes to this document. Please insert the new material as you receive it.

This manual should increase understanding, eliminate the need for personal decisions on matters of organizational policy, and help assure uniformity throughout the organization. It affirms that the District retains sole discretion over determination of execution of District goals and policies. It also affirms the at-will status of District employees and does not constitute an employee contract.

Please read this booklet carefully. Do not hesitate to ask for clarification or guidance from your supervisor or your Department Manager.

After reading these rules, **TEAR OUT THE ATTACHED SHEET, SIGN IT, AND RETURN IT TO THE PERSONNEL DEPARTMENT** or designated person within 10 working days of receipt of these rules.

Very truly yours,

Edward R. Crouse, Jr.
General Manager

An employee who feels that he or she has been or is being sexually harassed, or who is aware of or suspects the occurrence of sexual harassment, or who desires counseling on coping with sexual harassment has 60 days to report the incident to the President of the Board, or the General Manager. Each complaint will be investigated quickly and confidentially to determine if sexual harassment has occurred. All investigations will be conducted in a manner designed to ensure the privacy of all parties concerned. Strict confidentiality will be maintained.

If, as a result of investigation, a determination is made that an employee has sexually harassed another employee, appropriate disciplinary action will be implemented. An employee will be disciplined according to the nature and severity of the offense. The range of disciplinary actions is from verbal reprimand to discharge from employment, depending on the specific circumstances.

(a) Applicants must have met applicable minimum qualification requirements by 5:00 p.m. of the final filing date.

(b) In the event an applicant is found to possess qualifications extraordinary for the position the applicant is being hired for, the General Manager may authorize the employment of such applicant anywhere within the appropriate pay range. For the purposes of this section, "extraordinary" means that the applicant has education, experience, and/or skills superior to that commonly required and expected for the class. Details of this action will be forwarded to the Board at their next regularly scheduled meeting.

- 3.04 Forms Required. Application shall be made on forms prescribed by the General Manager. Application forms shall require information covering training, experience, and other pertinent information, and may include certificates of one or more examining physicians, and references. Fingerprints shall be required for all District personnel. All applications must be signed by the person applying under penalty of perjury.

Unless otherwise approved by the General Manager, such amendments must be received by the District not less than forty-eight (48) hours prior to the scheduled interview or examination.
- 3.08 Medical Examination:
- (a) Only conditional appointment will be offered to an applicant who has not submitted to an authorized medical examination. A medical examination shall be required before final appointment of an applicant. Appointment will be contingent on meeting the minimum physical standards. Such examination shall be performed by a licensed physician retained by the District. Documents indicating that the applicant has received a medical clearance shall be kept in a confidential file under the custody of the Personnel Department and shall not be a part of the personnel file.
 - (b) The General Manager may, upon advice and consultation with competent medical authority, establish job related physical standards for each job title. An applicant's failure to achieve the minimum standard so established will result in disqualification for appointment.

- (c) Nothing in this section shall serve to disqualify an applicant who has a disability and can be reasonably accommodated under provisions of the Americans with Disabilities Act.

3.09 Work Eligibility. A candidate for employment must be eligible under appropriate federal regulations to work in the United States. 3.11 Method of Examination. The selection techniques used in the examination process shall be impartial and relate to those subjects which measure the relative capacities of the persons examined to execute the duties and responsibilities of the class to which they seek to be appointed. Only those applicants possessing the most relevant qualifications will be invited to continue the application process.

3.12 Screening Panel. A credentials screening panel may be assembled by the General Manager to evaluate the comparative qualifications of the applicants, when it is desirable or necessary to limit the number of candidates to be interviewed for a given position. To allow full consideration of the relevance, level, recency, progression and quality of candidates' education and experience, the applicant may be required to submit written statements, certifications, and/or transcripts of college credits in addition to the standard application form.

Should there not be sufficient qualified candidates to screen, the General Manager may extend the final filing date of the job in question until such time as he or she finds necessary to recruit a reasonable number of qualified applicants.

3.13 Examination Scheduling. Examinations will be scheduled as the need requires, and may be postponed, canceled, or extended by the General Manager by notifying all persons who have filed applications and/or by posting a notice on the bulletin board.

3.14 Conduct of Examination: The General Manager shall determine the manner and methods by which examinations shall be given. The General Manager may extend the probation period beyond twelve months. Any extension of the probationary period shall also extend the probationary status of the employee as defined in Section 3.16(b) and (c) below.
 - (b) The probationary period is a step in the District's hiring process. It allows the probationary employee and the District an opportunity to determine if this is the right job for this person and the right person for the job. This is a learning and adjustment period for the employee. The District will use the probationary period to continue its assessment of an applicant for regular at-will employment.
 - (c) At any time during the probationary period, the probationary employee or the District may terminate the employment relationship without cause and without any right of appeal.

- 4.01 Hiring of Temporary Employees. Temporary employees, as defined in Section 2.42, may be hired from time to time as needed. The General Manager shall determine the terms and conditions of each temporary employee's employment. These terms and conditions will be decided for each individual prior to actual employment, but shall not exceed 1,000 hours or 180 days for each separate temporary employment. A temporary employee may serve on an on-call, as-needed basis, or may be hired for a specific project or period of time.
- 4.02 Salary of Temporary Employees. The General Manager, subject to approval or ratification of the Board, shall determine the rates and amount of pay for each temporary employee. The factors taken into consideration will include the type of work to be performed and the anticipated duration of employment. The rate of compensation may be by piece work, by the hour, by the day, by the week or by the month, as determined to be most feasible, reasonable, and equitable in each case.
- 4.03 Termination of Temporary Employees. A temporary employee serves at the will or pleasure of the District Board and may be terminated at any time without cause or prior notice. A temporary employee does not have the rights described in the Disciplinary Action & Dismissal section of this Personnel Manual.

SECTION 5.00 - EMPLOYMENT HOURS, LEAVE, VACATION AND HOLIDAYS

5.01 Hours of Work:

- (a) Workweek (General Criteria). The normal hours of work for the District employees shall consist of eight (8) hours per day, five (5) days per week. Specific work schedules may be established to comply with legal requirements or to meet agency business and public service needs.
- (b) Standard Workweek. The normal workweek is forty (40) hours and five (5) days. Any program providing for employee work weeks of less than five (5) days, shall be subject to Board approval. The hours of operation shall be recommended by Department Heads to accommodate the type of work required, and approved by the General Manager.
- (c) Rest Periods. When practical, employees shall be allowed a rest period of ten (10) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with department head or supervisor requirements. Except as indicated below, an unpaid meal period of at least thirty (30) minutes may also be provided as designated by the District to occur approximately in the middle of a work shift of at least eight (8) hours.

In certain positions, District management may require or permit employees to incorporate a paid (working) meal period within the normal work shift.

- (d) Rest Period Conditions. The District may designate areas where rest periods may be taken. An employee may occasionally be required to perform duties, if necessary, during his/her normally scheduled rest period.

5.02 Attendance. Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays, and leaves. The General Manager shall enforce attendance requirements and maintain attendance records of employees. Any absence from work, taken upon the initiative of an employee, without prior authorization or as provided for in these rules, shall be the basis for disciplinary action, if such absence is found to be unwarranted or regarded as detrimental to the District.

5.03 Overtime:

- (a) Policy. The general policy of the District will be to discourage the use of overtime. Overtime must be authorized in advance by the General Manager, or an employee's supervisor. Overtime shall be authorized only in those instances where it is essential to the continued operation of the District.
- (b) Definition. Work authorized in excess of normal working hours except as provided for in stand-by and call-back time, shall be classified as overtime when an employee's total work time exceeds forty (40) hours during the specified District work week. Overtime shall be compensated at the rate of 1-1/2 hours of compensation for each overtime hour worked.

- (c) Computation Base. Work schedules may provide for work days exceeding eight (8) hours. Any employee who is required to work more than forty (40) hours in a work week shall receive overtime pay. Work time does not include paid leave time such as vacation, sick leave, bereavement leave, etc.
 - (d) District Work Week. The District work week begins at 12:00 midnight on Saturday morning and ends at 12:00 midnight on Friday night each week.
 - (e) Holiday Overtime. Employees required to work on holidays shall be compensated at one and one-half times their normal hourly wage, but such overtime pay shall apply only to the first eight (8) hours so worked.
 - (f) Overtime Exclusions. Employees designated as managers, department heads, or other exempt classes shall be exempt from overtime compensation of any kind.
 - (g) Hours counted toward Overtime Computation. Sick leave, vacation, bereavement leave, and personal holiday time are not considered to be hours worked for purposes of computation of overtime pay.
- 5.04 Shift Differential/Split Shift for District Employees. Upon prior approval of the Board of Directors, all District employees working the graveyard shift during the hours of 12:00 a.m. (midnight) until 6:00 a.m. or working a split shift shall receive a shift differential or split shift amount as determined by the Board of Directors. This shift differential shall be paid along with the regular payroll cycle.
- 5.05 Call-Back. The nature of Rancho Murieta Community Services District services and the consequences involved in potential damage to property and buildings may make it necessary to call-back a District employee or employees, outside of the employee's normally assigned work-shift, to make emergency repairs or deal with an emergency situation. An employee called-back in such a situation shall receive a minimum of two (2) hours pay at 1-1/2 times his/her normal hourly pay rate and mileage reimbursement for round trip at the current approved District mileage rate. Call-back pay shall not apply to exempt employees.
- 5.06 Standby Duty. In order to maintain a high standard of emergency services to the Community, maintenance personnel are required to be available for on-call duty. All regular maintenance personnel (who have completed their probationary periods) may be required to participate. Employees on standby status must be ready to respond immediately to calls for service; to be reachable by radio-controlled pager, radio, or telephone; and to refrain from activities which might impair the employee's ability to perform assigned duties. Standby employees will be paid a fixed fee, as determined by the District, plus overtime pay for each instance of call- back.
- 5.07 Jury Duty and Court Appearances. This section shall not apply to any employee who is named party to action unrelated to the District and its activities or suits against the District. In such cases, employees may request vacation or personal leave.

When an employee is required to serve on jury duty or is subpoenaed as a witness to appear before a court, administrative agency, public body or commission, the employee must promptly notify his or her supervisor. Employees who are Sacramento County residents or residents of other counties with "phone-in" juror programs are requested to first ask the court to put them on "phone-in juror status". Employees required to serve as jurors for less than a full day are expected to spend the balance of the day at their regular District positions when the time remaining for their work shift exceeds three (3) hours. Wages for up to ten (10) days of service as a subpoenaed witness or juror will not be deducted from an employee's pay. Beyond ten (10) days the employee may use vacation or be placed on unpaid leave status.

- (a) Employees who receive a daily stipend from the court for serving on a jury shall submit their stipend pay, for each day they also receive Jury Duty pay, to the District. Employees are entitled to keep all mileage reimbursement received, if any.
- (b) If there is an emergency situation or if the District has special need for the employee's services, the General Manager will ask the court to excuse the employee from jury duty.

5.08 Special Leaves:

- (a) Special Leave. On rare occasions, due to special circumstances, the District may find it necessary to place an employee on a special leave status, with or without pay, as warranted by the special circumstances. The District may authorize this unusual leave, with or without pay, and maintain an employee's usual employment status during a stipulated time period.
- (b) Authorized Leave of Absence:
 - (i) A regular Full-Time or regular Part-Time employee who has completed his or her probationary period may be allowed up to thirty (30) days leave of absence per calendar year without pay for acceptable reasons upon the prior written approval of the General Manager.
 - (ii) A leave of absence over thirty (30) days requires the prior approval of the Board.
 - (iii) The District will continue to pay health and other benefits for an employee while the employee is on an authorized, unpaid leave of absence for up to 90 days during any twelve (12) month period. The District will cease to pay health and other benefits for an employee who is on an authorized, unpaid leave of absence for more than 90 days for the remaining duration of the leave of absence.

An employee's salary advancement date shall be delayed accordingly, unless a special exception has been expressly approved in writing by the General Manager.

- (c) Bereavement Leave. Up to three (3) working days of leave with pay may be granted because of death in an employee's Immediate Family, as defined in section 2.19, and spouses of the Immediate Family.
- (d) Disability Leave. Any employee incurring a non-work time injury or disability outside District employment shall be entitled to disability leave as provided herein. A maximum of thirty (30) days may be granted by the General Manager upon proper medical certification that the employee is disabled to the extent that work performance is not possible.

Only the Board may approve a request for disability leave for over thirty (30) days. An employee is entitled to elect usage of accumulated sick leave and/or vacation time during disability leave.

Following exhaustion of accumulated vacation and sick leave balances, the disability leave will be on an unpaid basis. An employee may also choose that entire disability leave be on unpaid status without reducing accumulated vacation or sick leave balances.

Medical certification must be submitted at the initiation of disability leave and monthly thereafter. The certification must state the nature of the disability and the estimated return to work date. Sick leave, rather than special disability designation, will apply to leave periods of five (5) calendar days or less.

An employee shall not earn additional vacation, sick leave, or other benefits except medical insurance during disability leave for a period of up to six (6) months maximum. Also, an employee's salary advancement date shall be adjusted during disability leave, thereby delaying eligibility for a step increase within a salary range.

- (e) Preferential Re-hire. With the approval of the General Manager, a former regular employee may be granted preferential rehire status. These are employees who have been placed on an extended leave of absence due to injury on or off the job where the District has found it necessary to replace the employee with another employee in order to meet critical workload. Employees granted preferential re-hire status may, at the District's discretion, be reinstated to the same or a comparable position when a vacancy occurs.
- (f) Leave Without Pay. Leave without pay may be granted to an employee by the General Manager whenever the General Manager considers such leave to be in the best interest of the District.
- (h) An employee on leave without pay status for five (5) days shall not earn vacation, sick leave, insurance, or other benefits for that pay period, and the employee's salary advancement date shall be delayed accordingly, unless a special exception has been expressly approved in writing by the General Manager.

Failure of an employee on leave without pay to report to work promptly at the leave's expiration or within reasonable time after notice to return to duty shall be cause for discipline.

- (g) Military Leave. Military Leave shall be granted in accordance with Section 395 of the Military and Veterans Code. An employee entitled to military leave shall give the General Manager an opportunity within the limits of military regulations to determine when such leave shall be taken.
- (i) Pregnancy Leave. An employee may be granted a prolonged time off without terminating employment for pregnancy and maternity. Such leave shall be governed by the same standards applicable to any other leave for non-job related medical or disability reasons. Such leave will normally be without pay, except as provided below, and it will be granted with the expectation that the employee will return to work at a stipulated time.

An employee may elect to exhaust their accumulated vacation time during pregnancy leave. While an employee is on unpaid pregnancy leave status no additional leave or service credits, with the exception of health benefits, will be granted. Pregnancy leave allows an employee to return to her former position or a comparable position.

- (j) Work-Related Injuries and Work-Related Injury or Illness Leave of Absence. Any work related injury or illness regardless of how minor must be immediately reported to the employee's supervisor or other available supervisory personnel.

An employee who requires a work-related injury or illness leave of absence ("leave") must notify the General Manager in writing of the need for such a leave as soon as the employee learns that they are or will become temporarily disabled and unable to work due to a work-related injury or illness. The notice must specify the reason for the leave, the date such leave will begin, and the expected duration of the disability. An employee who requests such a leave may be required to provide initially and from time to time proof of disability in the form of a physician's statement and/or be examined by a District selected physician.

The leave shall be granted for the duration of the work-related disability or to the extent provided by law. Accrued vacation and sick leave may be used to supplement any worker's compensation benefits or other disability insurance benefits received by the employee during the leave. An employee may elect not to use accumulated leave time while on leave. The District will pay any minimal disability time not covered by the District's worker's compensation carrier, and this time will not be charged against the employee's accruals. In no case shall the employee's compensation while on leave exceed their regular earnings. An employee shall continue to earn benefits while on leave for up to one (1) year.

An employee who is on a leave for a period in excess of three (3) months must notify the District by the end of each month thereafter both of the status of the disability and their continued intent to return to work with the District once they recover from the disability. An employee returning from a leave shall be required to provide a physician's statement which indicates that they are fit to return to work and/or be examined by a District selected physician.

A request for an extension of a leave will be considered if it is received by the General Manager in writing prior to the expiration of the approved leave and is supported by proof of continued disability in the form of a physician's statement. The District may require an employee to be examined by a District selected physician before acting upon a leave extension request.

An employee who fails to report for work at the end of a leave will be considered to have voluntarily resigned. The District will retain an employee on leave until one of the following situations occurs:

- 1) The employee is released for full or partial duty.
- 2) The District receives medical evidence satisfactory to it that the employee will be permanently unable to return to work.
- 3) The employee directly or indirectly informs the District i.e., by resignation, accepting other employment, moving out of the state, etc., that they do not intend to return to the District's employ.

An employee who returns to work at the end of their leave will be returned to their former position, if possible, or will be offered the first available opening in a comparable position for which the employee is qualified. The employee must provide the District a physician's statement indicating that they are fit to return to work and/or be released to return to work by a District selected physician.

- (j) Administrative Leave. Administrative leave compensates exempt employees for hours worked in excess of the normal work week of forty (40) hours per week.

On January 1st of each year, exempt employees shall be granted five (5) days of administrative leave. Employees beginning District employment after January 1st shall receive a pro rata amount of administrative leave, computed on a 26 pay period basis.

Administrative leave may be used for whatever reason and shall be taken as scheduled with the General Manager's approval. Administrative leave shall not be accumulated from one year to the

Any administrative leave remaining to the exempt employee's credit at the end of the year shall be lost without compensation. Upon separation from the District, any administrative leave remaining shall be lost without compensation.

5.09 Unauthorized Absence:

- (a) Any employee, who is absent for three (3) calendar days without being on authorized sick leave, authorized vacation leave, authorized bereavement leave or authorized leave of absence shall automatically have resigned his or her employment with the District. An unauthorized absence during part of a day constitutes an unauthorized absence for an entire day.
- (b) Nothing in this section shall limit the General Manager's authority to discipline or dismiss an employee due to an unauthorized absence.
- (c) An employee terminating employment in the manner described in this section will be considered to have voluntarily resigned his or her District employment.

For employees regularly assigned to a five-day, Monday through Friday work schedule, recognized holidays which fall on a Saturday will be observed on a Friday, those falling on a Sunday will be observed on a Monday. For all other employees, holidays will be observed on the actual declared holiday. In the event there is any work performed on any of the above-mentioned holidays, the employee shall receive time and one-half his or her normal wage rate up to a maximum of eight hours worked.

5.11 Personal Holiday. A regular Full Time employee who has completed his or her twelve (12) month probationary period may take four (4) "personal holidays" with pay per year. The employee must give his or her supervisor at least two (2) weeks advance notice and receive authorization before taking the personal holiday.

A regular Part-Time employee who has completed his or her twelve (12) month probationary period shall accrue personal holiday hours with pay in the same proportion as his or her working hours bear to the normal working hours of a Full-Time employee in a comparable position.

5.12 Vacations:

Probationary Employees. A new employee with Rancho Murieta Community Services District, filling a position which is eligible for regular Full-Time appointment, shall begin the accrual of both sick leave and vacation time credits.

Year 19	.0923	192

5.13 Pro-rated Accruals. Part-Time employees shall earn service and vacation credits at a ratio of their hours worked to Full-Time employment. In other words, the earning rates for a 20-hour per week employee shall be at 50%, a 30-hour per week employee shall be at 75%, a 32-hour per week employee shall be at 80%, etc. No vacation, sick leave or other paid benefits are provided for temporary employees.

5.14 Usage Waiting Period. No vacation leave may be granted until an employee has completed at least six (6) months of continuous service with the Rancho Murieta Community Services district. At no time may an employee take vacation leave in excess of their accumulated balance.

5.15 Accumulation of Vacation Time:

(a) An employee may accumulate up to two (2) years of vacation accrual of vacation leave. If an employee's vacation balance exceeds this amount, they shall cease to earn vacation credits until their balance is less than the maximum accrual amount.

For example, if you accrue ten (10) vacation days per year (6 2/3 hours of vacation per month), you may accrue a maximum of twenty (20) unused days of vacation. You will not be eligible to accrue more until some of the twenty (20) days are used. At no time may you "save" any more than your twenty (20) day maximum.

- (b) All employees are required to take at least five (5) consecutive days of vacation leave each year. Employees that have been on extended sick leave or short-term disability during the year are exempt from the five (5) days off requirement. New hires will be exempt from the requirement until the year during which he/she was hired has been completed.
 - (c) Upon approval of the General Manager an employee may receive pay for his/her earned vacation instead of taking time off, after the initial six (6) month probationary period, provided that the employee has taken at least five (5) consecutive days of vacation and/or personal holiday time off during that year. In addition, the employee must have at least (forty) 40 hours of accrued vacation time remaining after the buy back. The vacation buy-back will be an annual event in early December coinciding with a regular pay cycle.
- 5.16 Accrued Vacation Time. Vacation time earned, to a maximum of two (2) years vacation allotment but not used by an employee at the date of adoption of this manual shall continue as a credit for vacation time.
- 5.17 Authority to Grant Time-Off. The times at which an employee may take vacation shall be at the discretion of his/her immediate supervisor and the General Manager. Requests will be granted with due regard for the wishes of an employee and particular regard for the need of the District to conduct business and provide services.
- 5.18 Holiday Adjustments. Holidays falling within an employee's authorized leave period shall not be charged as vacation time.
- 5.19 Double Compensation Prohibition. Employees shall not work their vacation and receive double compensation for their work.
- 5.20 Disposition of Vacation Time Upon Termination. Upon separation from employment, regular and probationary employees will be paid for their accrued vacation time. - 5.21 Scheduling of Vacation:
- (a) No employee has a right to take his or her vacation at a particular time. Supervisors may only grant vacation requests if District operations will not be adversely affected.
 - (b) Each January the General Manager shall post a vacation schedule. Employees shall fill in their vacation request by February 1 of each year.

- (c) Should a conflict arise in the scheduling of vacations, the conflict will be resolved in favor of the employee with the greater seniority within his or her current job title. However, seniority may be exercised only once by each employee in each successive choice of vacation periods.
- (d) Requests for vacation which are made after the posted period, will be granted only where vacancies exist or staffing requirements permit and only with approval of the employee's supervisor and the General Manager.
- (e) Employee requests for modification of the vacation schedule will usually be granted if submitted 2 weeks in advance and the request may be accommodated. Supervisor and General Manager approval is required for any modifications.

5.22 Sick Leave Policy. Sick leave with pay is an insurance or protection granted in circumstances of adversity and to promote the health of the individual employee. It is not an earned right to time off from work except as specified in this policy and is not to be confused with vacation or other types of leave. It is a request for entitlement to a benefit to be exercised under appropriate circumstances. When used judiciously, sick leave benefit accruals provide the employee a cushion in the event the employee encounters a major or catastrophic illness or injury.

Paid sick leave will be granted by the District when an employee must be absent because of (1) the employee's illness, medical or dental examination, injury, disability or exposure to contagious disease which incapacitates the employee from performing his or her duty or (2) the employee's attendance with a member of the employee's Immediate Family because of illness, injury, death (over that allowed for bereavement leave), or exposure to contagious disease and where the attendance of the employee is definitely required.

5.23 Accrual of Paid Sick Leave for Full-time and Part-time Employees:

- (a) All employees who are employed on a continuous full-time or part-time basis shall accrue sick leave credits on the basis of 3.69 hours (.04615 per hour paid) per pay period to a maximum of 96 hours per year. Sick leave may accrue without limitation.
- (b) Part-Time employees shall earn sick leave credits at a ratio of their hours worked to Full-Time employment. In other words, the earning rates for a 20-hour per week employee shall be at 50%, a 32-hour per week employee shall be at 80%, etc.

For employees covered by State Disability Insurance (SDI), use of donated leave will be an offset to benefits in accordance with the provisions of that plan.
- (d) Donations are irrevocable. Unused hours remaining when the recipient returns to work or terminates employment with the District shall be retained as credits by the recipient.
