AUGMENTATION WELL INFORMATION

Recently there has been a lot of discussion and curiosity regarding the District's augmentation well project. Please visit our website (www.rmcsd.com) for a recently posted FAQ on the history, current status and plans for the augmentation well project.

NOTICE OF DISTRICT ELECTION

If you are interested in becoming a member of the Board of Directors of the Rancho Murieta Community Services District and are a registered voter within the District, you may obtain the paperwork from the Sacramento County Voter Registration and Elections Office at 7000 65th Street, Suite A, Sacramento. The filing period is July 18, 2016 through August 12, 2016.

WEST NILE VIRUS

West Nile virus, which can cause fever and severe neurological disease, is transmitted to humans and animals through the bite of an infected mosquito. You can reduce mosquitoes around your home by reducing mosquito breeding sources – from bird baths and saucers to empty wheelbarrows and toys. These items can hold water for more than five to seven days. Be diligent and prevent mosquitoes from breeding! Dump any standing water that may produce mosquitoes.

SECURITY REMINDERS

Planning on being out of town? Be sure to notify Security about the dates you will be gone so patrol can be extra watchful of your property in your absence. You can fill out the form on line, www.rmcsd.com and click the Submit by Email button on the top of the page or print it out and turn it in to either the North or South gate.

Rancho Murieta Association Rule Violations. Speeding and stop sign violations by you and/or your guests are subject to Rancho Murieta Association (RMA) fines. Overloaded golf carts or unsafe usage, such as towing skate-boarders or bikers, are also subject to RMA fines.

Volunteers needed for the VIPS Program (Volunteers in Partnership with Sheriffs). Contact Jackie Villa 354-8509 for more information.
