2017 DIVERSION REPORT

What's New on the Local Solid Waste Front?

- **Disruption in Recyclables Markets**
Impact to Processing Expenses and Prices
Could Recyclables end up in the landfill?
- **AB32- Organics in the Landfill Ban.**
Began April 2016; steps down in generator sizes in following years to 2023, when Residential Food Waste Collection Programs must be in place.
Sacramento County is already seeking a regional solution to begin by 2020.
- **AB1594- Greenwaste as Alternative Daily Cover.**
Current practice ends on January 1, 2020.
- **Local Impact:** These required new facilities and facility upgrades, along with market shifts will increase tip fees causing rise in residential rates.
