

Construction Alert

For Monday, July 22, 2019

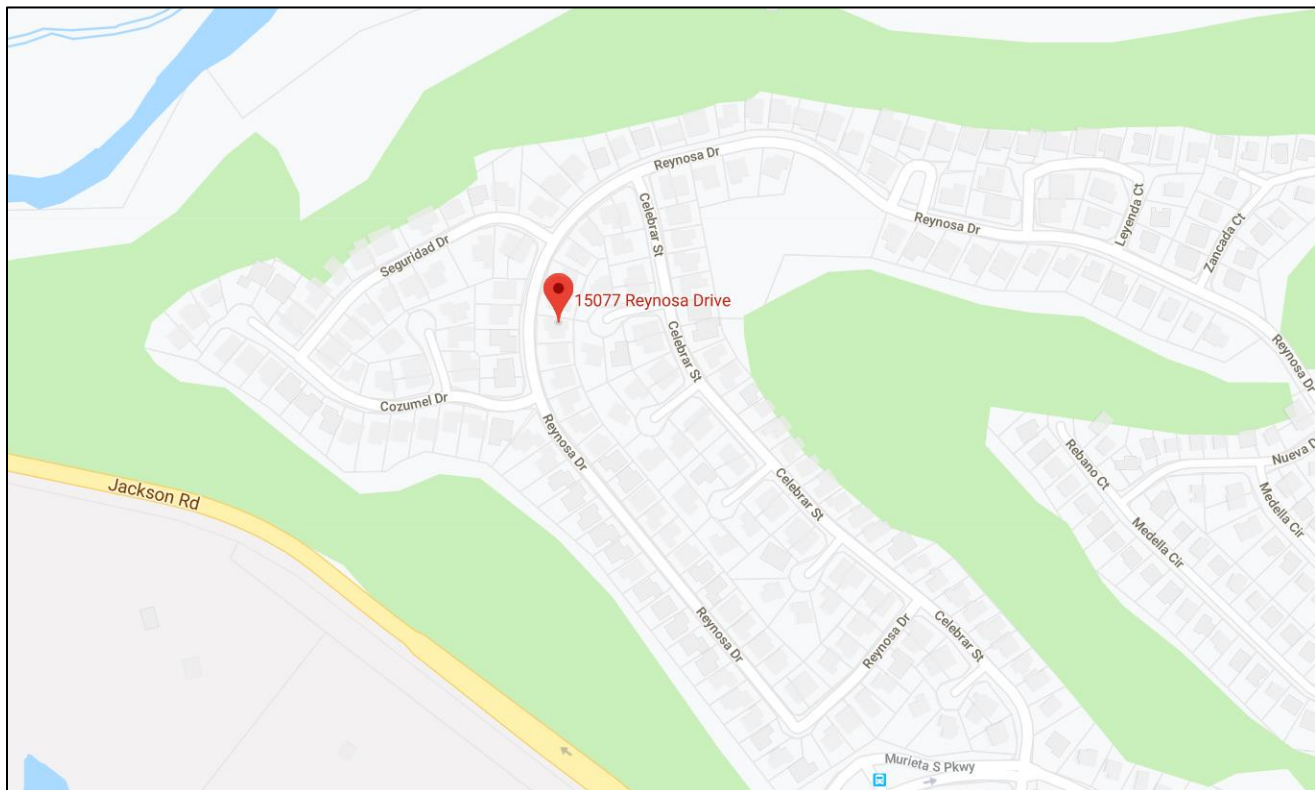

15077 Reynosa Drive

TYPE OF WORK: **Water Leak Repair**

The Rancho Murieta Community Services District (District) will be making a water repair in this area. To complete the repair, the water supply may be temporarily shut off to residences in this area. For those affected, the water outage is estimated to be of a short duration, less than ten (10) minutes, and is anticipated to occur sometime between 10:00 a.m. and 12:00 p.m. Work is anticipated to be complete by 4:00 p.m., however, unknown circumstances may extend this out.

Traffic controls will be in place to allow staff to complete the necessary work for this repair. There will be construction equipment, as well as heavy equipment working in the area. Please avoid the area and work site for your safety while work is in progress.

We will be working as quickly as possible to make these repairs.

Thank you for your patience. We apologize for any inconvenience this may cause.

If you have any questions, please call the District at 354-3700.
