

ORDINANCE NO. O2026-02

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE RANCHO MURIETA COMMUNITY SERVICES DISTRICT, AMENDING CHAPTER 14 OF THE DISTRICT CODE, RELATING TO WATER SERVICE CHARGES; AMENDING CHAPTER 15 OF THE DISTRICT CODE RELATING TO SEWER SERVICE CHARGES; AMENDING CHAPTER 16A OF THE DISTRICT CODE RELATING TO DRAINAGE SPECIAL TAX; AMENDING CHAPTER 21 OF THE DISTRICT CODE RELATING TO SECURITY SPECIAL TAX; AND AMENDING CHAPTER 31 OF THE DISTRICT CODE RELATING TO SOLID WASTE COLLECTION AND DISPOSAL SERVICE CHARGES AND LEAF COLLECTION

The Board of Directors of the Rancho Murieta Community Services District ordains as follows:

SECTION 1. Purpose and Authority. The purposes of this ordinance are to (a) increase the District water, sewer and solid waste collection and disposal service charges in order to reflect and provide for operation, maintenance and other cost increases due to inflation, increased regulatory costs, increased costs of supplies, services, labor and benefits, and other factors, and (b) increase the District drainage special tax and security special tax to implement the voter-authorized annual adjustments. This ordinance is adopted pursuant to California Constitution articles XIII C, section 2, and XIII D, section 6, Government Code sections 61115, 61121 and 61123, District Ordinances Nos. 98-1 and 98-2, and other applicable laws.

SECTION 2. Findings. The Board of Directors finds and determines as follows:

- (a) As calculated and demonstrated in the FY 2026-27 District budget, the increased service charges implemented by this ordinance have been fixed in amounts sufficient to pay the operating expenses of the District's water, sewer and solid waste operations, provide for and fund repairs and replacement of utility system works and equipment, provide for increased costs of regulatory compliance and fund financial reserves, and other costs.
- (b) The increased service charges are reasonably related to, and do not exceed, the District's cost of providing each of the services.
- (c) The revenues derived from the service charges do not exceed the funds required to provide the services and will not be used for any purpose other than the listed services.
- (d) The amount of the service charges imposed on each customer's parcel does not exceed the proportional cost of the particular service attributable to that parcel.
- (e) The District water, sewer and solid waste services are services that are actually used by and immediately available to the owner of each customer parcel.
- (f) No portion of these service charge increases are imposed for general governmental services.
- (g) As calculated and demonstrated in the FY 2026-27 District budget, the increased drainage and security special taxes implemented by this ordinance have been fixed in amounts as calculated and determined consistent with the annual tax adjustments as set forth in District Code chapters 16A and 21 and as authorized by the voters at the time of the approval of the special taxes.
- (h) The establishment, modification, structuring, restructuring and approval of the service charges and taxes as set forth in this ordinance are necessary and appropriate to continue to meet the District's costs for operation and maintenance, supplies and equipment,

financial reserves, and capital replacement needs, and to maintain a satisfactory level of services within the District service area.

- (i) The District Board of Directors has conducted a duly noticed public hearing on the proposed service charge increases in accordance with California Constitution article XIII D, section 6, and the Board did not receive a majority protest against any of the proposed service charge increases.
