

# Construction Alert

For Tuesday, July 30-31, 2019

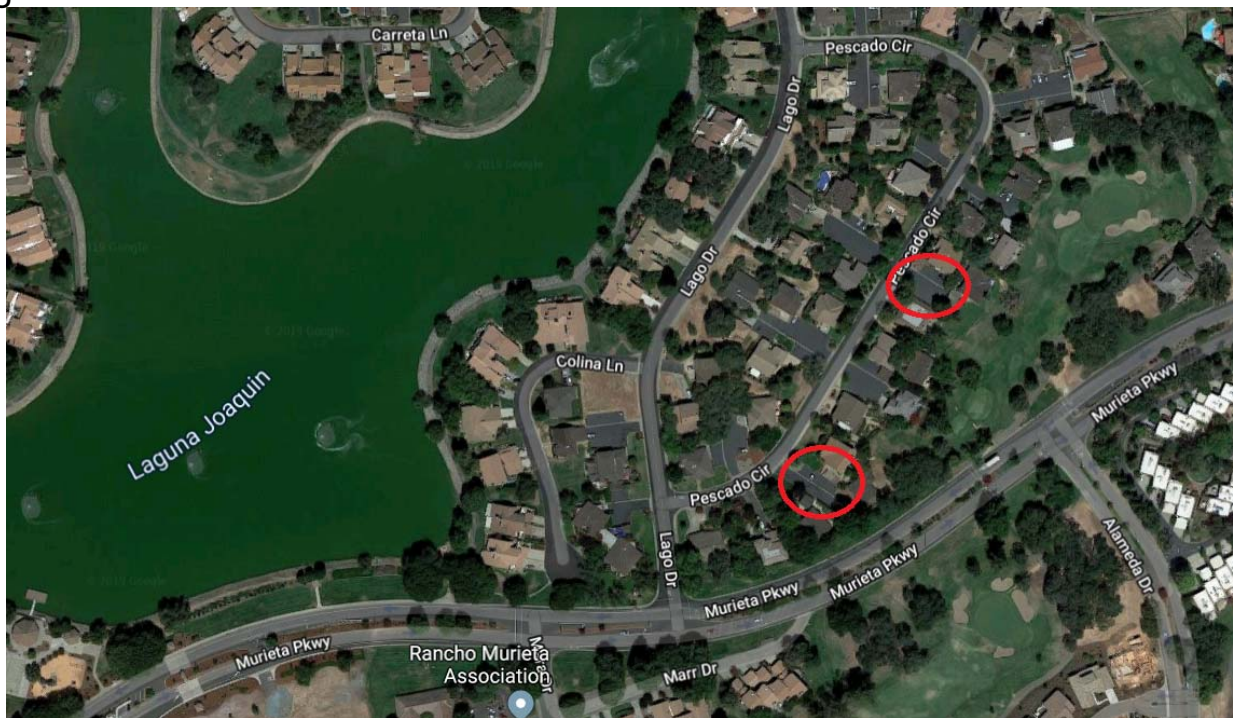

## Park 8 & 11 Pescado Circle

TYPE OF WORK: **Water Line Work**

The Rancho Murieta Community Services District (District) will be replacing water line blow-off valves on Park 8 & 11. To complete the work, excavations will begin on July 30. The water supplies for each park will be shut off on early on July 31 and is anticipated to back on by 5pm, however unknown circumstances may extend the shutoff period.

**Traffic controls will be in place** to allow staff complete the necessary work for this repair. There will be construction equipment, as well as heavy equipment working in the area. Please avoid the area and work site for your safety while work is in progress.

We will be working as quickly as possible to complete this work.

Thank you for your patience.

We apologize for any inconvenience this may cause.

If you have any questions, please call the District at 354-3700.
