

MEMORANDUM

Date: May 27, 2020
To: Improvements Committee
From: Paul Siebensohn, Director of Field Operations
Subject: Approve Purchase of Field Operations Truck

RECOMMENDED ACTION

Approve the proposal from Folsom Lake Ford for the purchase of a F-150 truck, in an amount not to exceed \$27,496.85. Funding is to come from Water Replacement Reserves, CIP 20-02-1.

BACKGROUND

A request for proposal sheet with general specifications was distributed to four area dealerships, for a new 2020 F-150 work truck with tool boxes. The low bidder for a 2020 F-150 truck was Folsom Lake Ford. The truck being replaced would be District vehicle #217, a 1997 F-150 with 131,041 miles and countless run hours on it. Increased maintenance needs with repeated mechanical issues make it an ideal time to declare it surplus and sell it off.

If ordered, expected delivery timeframe could be within 1 month if the vehicle is still available.

Water Replacement reserves are currently \$1,796,221
