

# Construction Alert

**October 27 – November 17, 2017**

## **Basin 5 (Lost lake)**

On October 2, 2017, Rancho Murieta Community Services District began repair work on Basin 5 (Lost Lake). Due to difficulty obtaining necessary parts for this repair we will be extending the construction alert to November 17, 2017. At times pumps, trucks, various tools, and heavy equipment will be operating in the area.

Barricades along the roadway may be in place at times to alert the public to keep out of the areas. Please avoid the areas shown above for your safety while work is in progress.

Thank you for your patience.

We apologize for any inconvenience this may cause.
