MEMORANDUM

To: Board of Directors, CSD
From: Marion Cravens *Marion*
Date: August 8, 1988
Subject: Employer Contributions - Health Care

In 1984 the Board adopted a Resolution to provide Public Employees Medical and Hospital Care benefits for CSD employees. At that time, employer contribution amounts were established for single, two-party, and three or more family members. Health care costs have risen dramatically during the last several months, and PERS has made several changes in their providers in an effort to control those costs. We have not increased the amount of contributions since 1984.

We would like to recommend a change in the employer contributions to accommodate the increases. The increase is approximately 8%.

	Old Amount	New Amount
Single	\$115.00	\$134.00
Two-party	225.00	253.00
Three or more	270.00	338.00

The effective date of this change is recommended to be August 1, 1988.

A draft resolution to accomplish this change is attached.
