How to get your ultra-low flush toilet (ULFT) or high efficiency toilet (HET) rebate.

1. You must first call the Rancho Murieta Community Services District's (District) customer service at 916-354-3700 to see if rebates are available.
2. To obtain a rebate, customers should consider a Water-Wise House Call. This service is at no direct cost to the customer.
3. Purchase and install the new toilet(s). You must be replacing a toilet using two (2) gallons per flush or greater (a non-ULFT) to be eligible.
4. You may install the toilet(s) yourself or you may also hire a licensed contractor.
5. Return the original dated receipt and/or plumber's invoice with the price, model and brand of each toilet listed individually, and the completed application. Keep a copy for your records.
6. Submitting a signed application represents agreement to have the District verify installation of the toilet, with your accompaniment. The District will schedule an inspection.
7. Rebates are up to **\$100 for ULFT**, up to **\$100 for a HET** and up to **\$100 for a Commercial ULFT or Commercial HET**. Call the District to verify the amount you are eligible for. Total rebate amount will not exceed money spent. Eligible expenses include 1.6 gallon per flush or less tank, bowl, seat, supply line, wax ring, caulking, bolts, bolt covers, tax, and cost of professional installation.
8. The District will issue rebate checks within eight to ten weeks of receipt of your completed application materials.
9. The District is required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more.

Qualifications

1. Purchase of material must occur within the program period of **July 1, 2021 to June 30, 2022. The number of rebates is dependent upon the availability of program funds.** Call the District to see if funds are available.
2. The location of installation must be served by the District.
3. Residential, commercial, industrial, institutional and multi-family applicants are eligible.
4. Replacement of one ULFT with another ULFT is not eligible for rebate under this program.
5. New construction is not eligible for rebate under this program.

Permitting

Building permits are not required when a residential customer simply removes and installs a toilet on existing plumbing. A permit is required when a plumbing fixture will be relocated, or you are a business customer.

Disclaimer

The District reserves the right to deny an application of any participant who does not meet all requirements as outlined. The District reserves the right to change the terms of this program at their discretion. The District is not responsible for receipts or paperwork lost in the U.S. mail. The District cannot guarantee that the installation of the ULFTs will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.
