INFORMATION FOR BIDDERS

Rancho Murieta Community Services District, herein called the Owner or District, 15160 Jackson Road, P. O. Box 1050, Rancho Murieta, California 95683, will receive sealed bids for the **6 Inch Recycled Water Line Installation** until **11:45 am, August 20, 2018**, at which place and time said bids will be opened and read aloud.

Each bid should be submitted in a sealed envelope, addressed to the **Rancho Murieta Community Services District, 15160 Jackson Road, P. O. Box 1050, Rancho Murieta, CA 95683**. Each sealed envelope containing a bid must be plainly marked on the outside as **6 INCH RECYCLED WATER LINE INSTALLATION**, and the envelope should bear on the outside the name of the Bidder, his address, and his license number. If forwarded by email, the bid must be PDF format. All bids must be made on the required bid form. All blank spaces for bid prices must be filled in, in ink or typewritten, and the bid form must be fully completed and executed when submitted. Only one (1) copy of the bid form is required.

The Owner may waive any informalities or minor defects, or Owner may reject any and all bids, all at the sole discretion of the Owner. The right is reserved to reject all bids. Any bid not conforming to the intent and purpose of the Contract Documents may be rejected. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. No Bidder may withdraw a bid within 60 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the Owner and the Bidder.

Bidders must satisfy themselves to the accuracy and completeness of the Bid Schedules by examination of the site and specifications including addenda. After bids have been submitted, the Bidder shall not assert that there was a misunderstanding concerning the quantities of work or of the nature or the work to be done.

Within **five (5) calendar days** of receipt of Notice to Proceed to whom the agreement is awarded, the Owner or their approved representative, shall sign the agreement and return to such party an executed triplicate of the agreement. Should the Owner not execute the agreement within such period, the Bidder may, by written notice, withdraw his signed agreement. Such notice of withdrawal shall be effective upon receipt of said written notice by Owner. The Notice to Proceed shall be issued within **five (5) calendar days** of the execution of the agreement by the Owner. Should there be reasons why the Notice to Proceed cannot be issued within such period, the time may be extended by mutual agreement between the Owner and Contractor. If the Notice to Proceed has not been issued within the **five (5) calendar day** period or within the period mutually agreed upon, the Contractor may terminate the agreement without further liability on the part of either party.

The Owner may make such investigations as it deems necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Owner that such Bidder is properly qualified to carry out the obligations of the agreement and to complete the work contemplated herein.

A conditional or qualified bid will not be accepted. All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over the project shall apply to the contract throughout. Each Bidder is responsible for inspecting the site and for reading and being thoroughly familiar with the Contract Documents. The failure or omission of any Bidder to do any of the foregoing shall in no way relieve any Bidder from any obligation in respect to his bid. Further, the Bidder agrees to abide by the requirements under the US Department of Labor Executive Order No. 11246, as amended.

The attention of Bidders is directed to the requirements and conditions of employment to be observed and the prevailing wage rates to be paid under the contract. All Bidders shall supply the names and addresses of each Subcontractor providing work for which each Subcontract totals more than one-half of one percent of the total bid price. The Subcontractors shall be listed on the appropriate forms in the contract documents.

The Project Manager is:

Paul Siebensohn, Rancho Murieta CSD, P. O. Box 1050, Rancho Murieta, California, 95683. Phone: (916) 354-3700, Fax: 354-2082. e-mail psiebensohn@rmcsd.com;

Secondary contact is Travis Bohannon tbohannon@rmcsd.com

All procedural and technical questions should be directed to the Project Manager or his designee.

Should a Bidder have any questions, they shall at once notify the District and, should it be found that the point in question is not clearly and fully set forth a written addendum or Bulletin of Instructions will be sent to all bidders. Neither the District staff nor the District will be responsible for any oral instructions.

6 INCH RECYCLED WATER LINE INSTALLATION

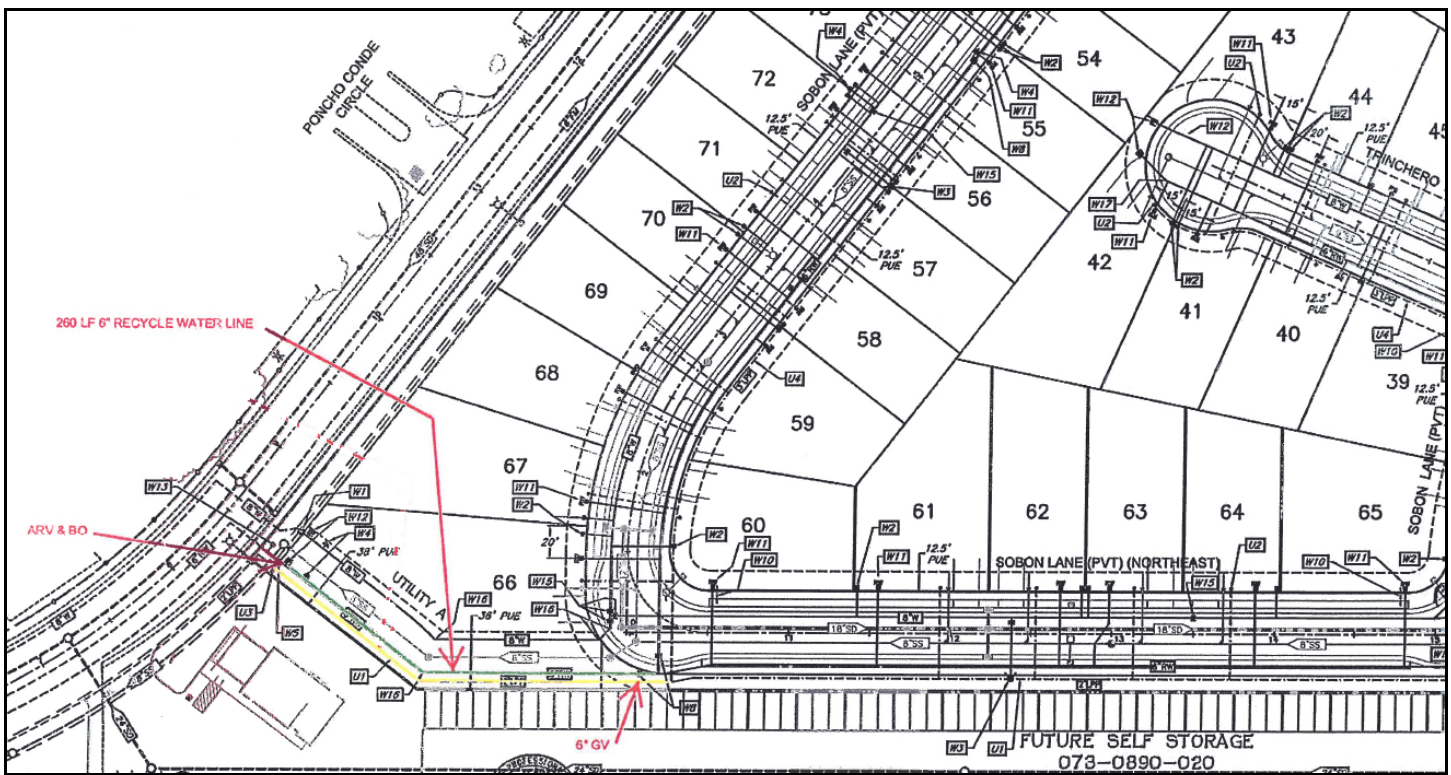

TITLE OF PROJECT

The title of this project shall be **6 INCH RECYCLED WATER LINE INSTALLATION** and all communications, reports, drawings, and progress payment estimates connected with this project shall refer to said title.

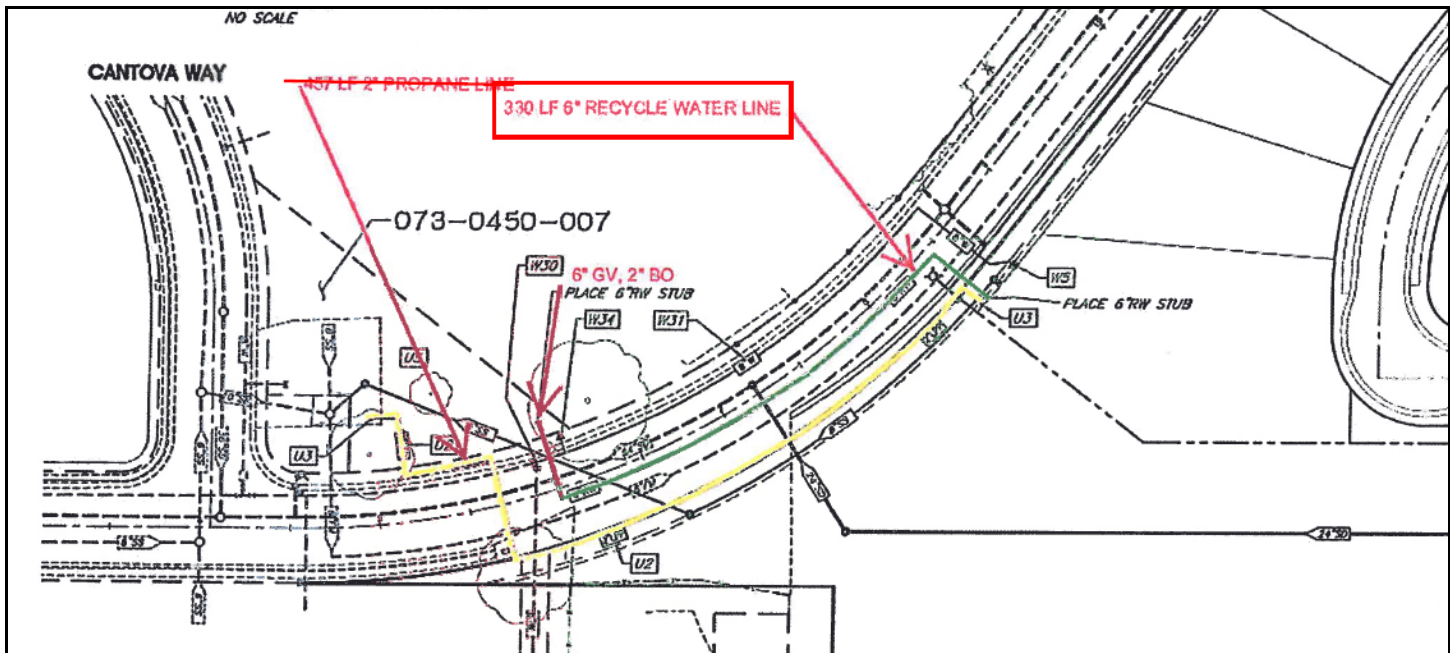

DESCRIPTION OF WORK

Installation of 260' purple 6-inch C900 pipe per Rancho Murieta Community Service District's (District) Recycled Water Standards.

Recycled water line from Murieta Gardens II Sobon Lane to edge of pavement at Murieta Drive:

Recycled water line continuation from Murieta Drive to the Cantova Lift station (alternate bid item):

SCOPE

The Work to be performed under this section consists of furnishing all equipment, tools, materials, labor, services and operations required for installation of the recycled water pipeline per the District's Recycled water standards. The run from Sobon Lane to Murieta Drive is in bare ground. Work will commence around another contractor, JD Pasquetti, working on the Murieta Gardens II development. Coordination with the Murieta Gardens II Project Manager and Contractor will be required for access and may be facilitated also by the Project Manager.

Alternative I: This pipeline installation would connect to the above-mentioned pipeline and extend it under existing asphalt on Murieta Dr. until the Cantova Lift station site, where it will end at a valve in an irrigation valve box. It is anticipated that this work would consist of USA marking where the installation is to occur per plans, cut and remove asphalt and subgrade, preparation of bedding, installing pipe and appurtenances, backfilling and compaction, pressure testing pipe for acceptance, reinstalling asphalt to existing condition (believed to be at 3" AC over 6" AB).

SUBMITTALS

The Manufacturer shall submit submittals for each product to be used for approval by the District prior to being utilized for the project. Each submittal will be reviewed within eight (8) working days from receipt of the submittal by the District or its representative.

A. Upon completion, Contractor shall include technical product data including:

1. Acknowledgement that products submitted meet requirements of standards referenced.
2. Submit to the Project Manager a Notice of Completion with the date of completion of the project.

B. Completion & Payment Schedules

1. An estimated schedule of work shall be submitted to the Owner beginning with the notice to proceed through completion of the project with the understanding that weather and working around another Contractor may affect dates. Invoice for payment shall come once all work is complete. No milestones for completion and payments are anticipated with this project. If project extends for attenuating circumstances, monthly payment invoices shall be submitted. Certified payrolls must be submitted to the District after payments, addressed to the project manager.

STAGING, DELIVERY AND STORAGE

The Contractor may stage, deliver, and store equipment and materials at the District's fenced in area at the Wastewater Plant yard located behind the District's main office at 15160 Jackson Road for the duration of the project. The Contractor shall limit his laydown and storage activities to the area designated by the Project Manager and shall keep the gate locked at all times during non-construction hours.

COMPLIANCE WITH REGULATORY REQUIREMENTS

All applicable federal, state, and local regulatory agency requirements shall be complied with during the course of the work. The Contractor's attention is directed to the following list of District requirements that generally apply to Underground construction work; the Contractor is responsible for identifying and complying with any other agencies or requirements not listed.

OSHA - Personnel protection during all phases of work, including exposure to airborne solvents, dust, and lead.

CAL/OSHA - Personnel protection; requirements may supersede OSHA regulations.

California Title 22 - Environmental requirements, including materials and residue relative to hazardous waste disposal requirements.

Sacramento County Air Quality Management District – environmental requirements for limiting airborne emissions from equipment, products, and methods of operations.

WARRANTY

The Contractor shall guarantee all work unless otherwise noted for a period of one (1) year following the date of final acceptance by the District. The Contractor shall guarantee work for a period of one (1) year following the date of final acceptance by the District. All defects in workmanship and materials shall be repaired by the Contractor at no cost to the District in accordance with this specification and to the satisfaction of the District or their appointed representative.

SCHEDULE AND COOPERATION WITH OTHERS

Prior to starting work, the Contractor shall prepare and submit to the Project Manager a proposed construction schedule that will indicate the order of work, which will indicate the order of work and show how the Contractor intends to cooperate with the District. The Contractor will need to coordinate with the Contractor and Project Manager working at the Murieta Gardens II project for access.

TIME OF COMPLETION

The Contractor performing the work will need to fully complete the Work by March 22, 2019. Notice to Proceed will include an expected start date agreed upon with awarded Contractor at District's discretion.

INSURANCE

The Contractor shall furnish insurance certificates. The Contractor shall procure, maintain, and keep in force at all times during the term of the Contract, at its sole expense, the following:

Fire and extended coverage insurance upon the project to the full insurable value thereof for the benefit of the Owner, the Contractor, and all subcontractors, as their respective interests may appear. This provision shall in no way release the Contractor or Contractor's surety from obligations under the contract documents to fully complete the project.

The Contractor will not be required to provide insurance against damage to the project caused by "Acts of God," as defined in California Government Code Section 4150. The Contractor will, however, be responsible for restoring any damage caused by the elements or natural forces that does not fall within the definition of "Act of God," and all applicable insurance required by the Contract shall include coverage for such damage.

An errors and omissions policy of insurance in the amount of at least TWO HUNDRED THOUSAND DOLLARS (\$200,000.00).

WAGE SCALE

In accordance with the provisions of Section 1170 and 1773 of the Labor Code, the District has determined that general prevailing rate of wages are required. These rates are set as per California Department of Industrial Relations for Sacramento County. Website: <http://www.dir.ca.gov/dlsr/PWD/index.htm>

ACCESS

The Contractor shall provide access to the site for the personnel of the District, inspection personnel, and other construction forces at all time during the construction. The work site will be available for commencement of work from 7am-6pm daily, not including holidays.

JOINT VENTURES

Joint venture bids will not be allowed.

COMPLIANCE WITH LAWS AND REGULATIONS

The Contractor shall comply fully, and not perform any work that is not in accordance with all applicable laws, ordinances, rules, regulations and lawful orders of any public authority. If Contractor fails to comply fully, or performs any work contrary to such laws, Contractor shall assume full responsibility therefore and shall bear all costs attributable thereto.

RISK OF LOSS

The Work shall be under the Contractor's responsible care and charge until its completion and final acceptance, and the Contractor shall bear the entire risk of injury, loss, or damage to any part thereof by causes of any nature whatsoever. The Contractor shall rebuild, repair, restore, and make good all injuries, losses, or damage to any portion of the Work or the materials occasioned by any cause per State, County, and District laws, codes, and regulations, and shall bear the entire expense thereof.

INDEMNIFICATION

The Contractor shall also be responsible for the following:

1. Indemnity as to Liens and Claims

Contractor shall pay promptly, when due, for all labor and materials used in, or specifically fabricated for, the prosecution of the Work. Contractor shall indemnify, protect, defend and save harmless the

District and Engineer (including their officers, agents, members, employees, affiliates and representatives), and each of them ("Indemnitees") of and from, any and all claims, demands, suits, causes of action, liabilities, losses, liens, judgments, damages, costs (including court costs and reasonable attorneys' fees incurred by the Indemnatee) and expenses suffered or incurred as a result of Contractor's failure to pay for labor and/or material used in connection with, or specifically fabricated for, the Work performed by Contractor hereunder. Said indemnity shall survive the termination of the Contract.

2. Indemnity as to Liabilities

Contractor shall indemnify, protect, defend and save harmless each Indemnatee of and from any breach of any representation or warranty of Contractor contained in the Contract. In addition, Contractor shall defend, indemnify and hold each Indemnatee harmless from and against any and all costs, claims, damages (including consequential damages), demands, liens, settlements, losses, actions, legal or administrative proceedings, and liabilities of any kind or nature whatsoever (including, without limitation, reasonable attorneys' and consultants' fees, laboratory costs and litigation costs) resulting from, but not limited to, (i) property damage or destruction, whether the same be to third persons, an Indemnatee, or Contractor or its personnel; (ii) sickness, disease, death, personal or bodily injury to persons, whether they be third persons, or employees of an Indemnatee, or of Contractor or its personnel; (iii) actual or alleged contamination, pollution, or public or private nuisance, including without limitation, any and all liability relating to the emission, discharge, disposal, management, monitoring, containment, cleanup, handling, storage, treatment, transportation or disposal of lead or any other hazardous waste, substance or material and the cost of any required or necessary repair, cleanup, removal or detoxification; and (iv) actual or alleged violation of law or of orders, regulations, requirements, or demands of governmental agencies, including, but not limited to,* the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Section 9601 *et seq.*), Environmental Protection agency NESHAPS (40 CFR 61 Subparts A & M), and the laws and regulations set forth in these Special Provisions which in any manner arise out of, or are incident to, or are in connection with, the Work or the Contract except to the extent that such actual or alleged violation arises out of the negligence or willful misconduct of the particular party to be indemnified, in which case Contractor's obligation with respect to such party shall be proportionally reduced to the extent of such party's comparative negligence. The obligations set forth in this Special Provision are subject to any limitations provided at law. Notwithstanding any other provision of the Contract, the indemnification and defense obligations of Contractor under this Special Provision shall survive the termination of the Contract.

It is expressly understood and agreed that Contractor shall, at its own cost, expense and risk, defend any and all suits, actions or proceedings (including formal and informal administrative proceedings) that may be brought against an Indemnatee (with attorneys acceptable to the Indemnatee being defended) by reason of any act or omission against which Contractor has indemnified the Indemnitees. If Contractor shall fail to do so, each Indemnatee shall have the right to defend same and charge all direct and incidental costs of such defense to Contractor, including court costs and actual attorneys' fees and costs. The foregoing obligations shall survive the termination of the Contract.
