CHAPTER 31

SOLID WASTE COLLECTION AND DISPOSAL

SECTION 1.00 Findings — Purpose of Provisions

The Board does find and determine that the storage, accumulation, collection and disposal of Solid Waste, and other discarded goods and material, is a service the District is authorized to provide, and is a matter of great public concern in that improper control of such matters can lead to air pollution, fire hazards, rat infestation, and other problems affecting the health, welfare and safety of the District. The Board declares that the regulations in Chapter 31 of this Code provided are designed to eliminate or alleviate such problems.

The Board further finds as follows:
