

## RANCHO MURIETA COMMUNITY SERVICES DISTRICT DRIP SYSTEM REBATE APPLICATION

**Important:** Please read the application materials carefully and keep a copy for your records. Please type or print clearly in ink, then mail completed application and original cash register receipt and/or contractor's invoice to the District. Use one application per property location. Residential, commercial, industrial, institutional and multi-family applicants are eligible. The number of rebates is dependent upon the availability of Rebate funds. All information on this application form is considered confidential. Applications are processed in the order received. Funding is limited; therefore, rebates are not guaranteed. Maximum rebate per customer account is \$50 during eligibility period of July 1, 2022 through June 30, 2023.

## How to get your drip system rebate.

1. You must first call the Rancho Murieta Community Services District's (District) customer service at 916-354-3700 to see if rebates are available.
2. Install a drip system.
3. You may install the drip system yourself or you may hire a licensed contractor.
4. Return the original dated receipt and/or contractor's invoice with the price, model and/or brand of drip system supplies, and the completed application. Keep a copy for your records.
5. Submitting a signed application represents agreement to have the District verify installation of the drip system, with your accompaniment. The District will schedule an inspection.
6. Maximum rebate is \$50 per customer account. Call RMCSD to verify the amount you are eligible for. Total rebate amount will not exceed money spent.
7. The District will issue rebate checks within eight to ten weeks of receipt of your completed application materials.
8. The District is required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more.

## Qualifications

1. Purchase of material must occur within the program period of **July 1, 2022 through June 30, 2023**. The number of rebates is dependent upon the availability of program funds. Call the District to see if funds are available.
2. The location of the drip system must be served by the District.
3. Residential, commercial, industrial, institutional and multi-family applicants are eligible.
4. New construction is not eligible for rebate under this program.

## Permitting

Building permits are not required.

## Disclaimer

The District reserves the right to deny an application of any participant who does not meet all requirements as outlined. The District reserves the right to change the terms of this program at their discretion. The District is not responsible for receipts or paperwork lost in the U.S. mail. The District cannot guarantee that installation of a drip system will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.
