MEMORANDUM

Date: April 30, 2020
To: Security Committee
From: Jeffery Werblun, Security Chief
Subject: Security Update Report for the Month of April 2020

OPERATIONS UPDATES

We had many calls during April related to juvenile activities and COVID-19 restrictions. Juveniles had been out and about causing disturbances, driving golf carts without driver's licenses, in violation of curfew and park hours rules, and more. We had residents calling complaining that others violated COVID-19 restrictions instituted by the Sacramento County Health Department and the Governor. We responded, and if any violations were observed, we offered educational advice on the rules and reminders of the restrictions. If a resident was insistent that more be done, we directed them to the 311 system for a complaint.

INCIDENTS OF NOTE

April 8 at 0830 hours, OE3 had an attempted burglary, same area as the burglary last month. They were referred to SSD for a report.

April 29 at 1300 hours, Riverview Park: A female resident and her husband were in their golf cart on the dirt trails near Riverview Park. The husband had a cardiac emergency. The female called 911 and then drove out to Riverview Park to meet the Fire Department. Water Department employees Mario Moreno and James Colas were working near the park. They saw the emergency and immediately went to assist the male. Mario began CPR on the male until the Fire Department arrived. The male had a pulse and was breathing when the Fire Department arrived. The male was transported to the hospital. Good job, Mario, and James.

We would like to thank the Amador Dry Diggins Distillery in El Dorado Hills for the five gallons of hand sanitizer. The CSD has been trying to purchase hand sanitizer through our regular commercial suppliers, but everyone is out or on delayed backorder. I met with the owner of the Distillery, Cris Steller, who had converted his operation from a distillery into a hand sanitizer production for hospitals and first responders. He sells the product at cost, actually losing money. I saw a story on the news about this and went to the Distillery on my day off. The owner was very gracious, and following our conversation, he moved us to the top of his waiting list. Two days later, I picked up the product. He is now producing hand sanitizer for hospitals, law enforcement, corrections, and other businesses that need it. He went from storing the product in vats to obtaining a full-size tanker car for storage. Thanks to Cris, we have enough hand sanitizer to last us for a while.

CONTRACT SECURITY

We are still using PDF on a limited basis for the gate.

JOINT SECURITY MEETING

The meeting has been postponed due to the Covid-19 issues.
